

Thomson, Robert Boyd

June 1915

June 9th, 1915

Professor R. B. Thomson,

Rotary Building.

Dear Professor Thomson:

I have made inquiries from the Superintendent as to the possibility of Mr. Simpson being allowed to stay at No. 9 Queen's-Park during next winter, but he assures me that the arrangements are such that it will not be possible. I realise that Mr. Simpson is of great value to the garden, but the needs of the house must first be considered.

Yours sincerely,

President.
